

StitchMosaic - CC0 cat sample

US Letter | 80 x 96 stitches | 14-count fabric

Digital demonstration. Not a customer testimonial.

No physical print or stitched-sample validation has been completed.

Print only this paper-size edition at Actual size / 100%.

Do not use Fit to page. Use the page row/column ranges to join tiles.

The tiles overlap by 2 stitches. Count the overlap only once.

Colour and black-and-white symbol charts describe the SAME pattern.

Each PDF grid square is 7 points; 10 squares should measure 24.7 mm.

This is an enlarged working chart, not a life-size fabric template.

The thread legend follows the charts. Test symbols on your printer.

DMC colours are approximate screen references, not an official conversion.

Check real floss, fabric, tension and small facial details before stitching.
